PURPOSE

The purpose of this report is to estimate the stated market value of the trailer described herein as of the inspection date.

STATED MARKET VALUE DEFINED

The stated market value of the vehicle is the highest price on the date of valuation that would be agreed to by a seller, being willing to sell, and by a buyer, being willing to buy, under no particular necessity for so doing, each dealing with the other full knowledge of all the uses and purposes for which the property is reasonable, adaptable and available.

METHOD OF VALUATION

The value is estimated by current market data comparison supplemented by cost information. The vehicle is compared with others for sale and that have sold in the general time period. Adjustments are made for differences in equipment, cosmetics and current economic conditions at the time of inspection.

ASSUMPTIONS AND LIMITING CONDITIONS

Information provided by the owners, parties to sales and others are assumed to be reliable although accuracy is not checked or guaranteed.

IDENTIFICATION AND DESCRIPTION OF TRAILER AUTHORIZED APPRAISAL
